

## WE ARE HIRING

We are looking for an **Acquisitions Analyst** to join our Swiss Team, based either in **Geneva**.

### Mission and Objectives

The person for this position will be responsible for assisting the Acquisitions (and Asset Management) team in the development and execution of transactions, portfolio strategies, market research, presentations, benchmarking, and specialized reporting. He/she must be able to work within a small team, but also work independently and proactively, bringing drive, motivation, and a willingness to learn in the areas of real estate investment and portfolio management.

### Your role

- Perform preliminary acquisition analysis of assets, portfolios and share deals
- Independently manage the due diligence process
- Proactively manage acquisitions in cooperation with other team members and external partners
- Collect and analyse strategic data related to a defined market/project
- Qualitative and quantitative market & feasibility studies
- Coordinate and implement the entire transaction process
- Establish investment reports
- Performing ad hoc analyses to assist the manager
- Assist the team in their daily tasks
- Assist in the preparation of investment memos and various presentations to the investment committee
- Identification of global and local real estate trends

### Your profile

- Bachelor's degree in Finance, Accounting, Real Estate
- 3-5+ years of experience in Real Estate
- Excellent analytical and numerical skills
- Solid knowledge of financial modelling
- Fluent in German and/or French (both would be a plus) as well as English
- Rigorous and control-oriented
- Dynamic, proactive, able to create and foster a good working climate within the team
- Demonstrate flexibility, communication, and team support
- Pragmatic, being able to adapt and evolve, multi-tasking environment.

**Start** June 2022

**Working hours** Full time

### The Company

Stoneweg is a real estate investment adviser and asset manager established in 2015 and headquartered in Geneva, Switzerland. The firm leverages in-house local operational teams in Switzerland, the United States, Spain, UK, Italy, Andorra and Ireland to source, develop and manage real estate investments.
